

PLATINUM PRO HARNESS SYSTEM
NISSAN R35 GT-R
Haltech Part # HT053009

SPECIFICATIONS

Supported Models:	Nissan R35 GT-R		
Variations:	Australian Delivered, Japanese Delivered and USA Delivered.		
Engine Code:	VR38DETT		
Features:	Interfaces directly with all the standard Nissan sensors and onboard computer systems Controls fuel delivery, ignition timing, boost levels and camshaft positioning Supports Sequential Injection (peak and hold) and Direct fire ignition Knock Detection Real time programming, instant hesitation free adjustment while engine is running Fully user definable 32 x 32 mapping Copy through feature allows OEM ECU fuel and ignition timing values to be used in specific areas of your map Tuning via Volumetric Efficiency (VE), Injection time or Lambda Correction (MAF) USB and CAN Communication Port Windows 2000, XP, Vista, Windows 7 compatible software		
Factory Outputs:	6 x Fuel Injector outputs	6 x Ignition outputs	Boost Control
Factory Inputs:	MAF sensors Coolant Temperature sensor	Throttle Position Sensor Air Temperature sensor	Knock Detection Sensor MAP Sensor
Expansion I/O:	Inputs Auxiliary Rev Limiter 2 x Wideband O2 inputs	Outputs 1 x General Purpose Output	
Functions:	Closed Loop Wideband O2 Control Closed & Open Loop Boost Control Variable Cam Control	Decel Cut Gearbox Interface	Over Boost Transient Throttle Rev Limiter Knock Control
Correction Tables:	Fuel Post Start Enrich Injector Trim Coolant Temp Correction Air Temp Correction Map Correction	Ignition Timing Trim Coolant Temp Correction Air Temp Correction	
Miscellaneous:	Data Logging: 448Kb of onboard data logging, Storage for approx 40 minutes at 10 logs per seconds, 6 channels of data Max 20 channels logging capability Tune can be password protected in software Rugged anodized aluminum casing		
Power Requirements:	8.6 to 16.5 Volts DC		
Source:			
Physical Dimensions:			
ECU Dimensions	Length: 197mm	Width: 105mm	Height: 40mm
Weight:	430g (0.95 lb)		
Platinum Pro Plug-in Kit Includes:	Pro GT-R ECU Plug and Play Loom USB Cable Programming Software CD Quick Start Guide Instruction Manual (on CD) Haltech Sticker
